

The Value of Using Poultry Litter for Pasture Fertilizer

Cullman County — and the surrounding area — is a leader in both poultry and beef cattle production. This meeting will explore the benefits and challenges of using a by-product of poultry production in an environmentally responsible manner that is a tremendous asset for beef cattle producers.

Tuesday, Feb. 12, 2019

6:00 p.m.

North AL Agriplex

1714 Talley Ho Street, Cullman

Speaker:

Dr. Rishi Prasad

Nutrient Management Specialist

Auburn University

There is no cost to attend this program but we do ask that you RSVP by Feb. 8 so we can plan accordingly.

Gerry Thompson

Regional Extension Agent
for Animal Sciences and Forages
