1:00 – 5:00	Exam Period	Exam Period	Exam Period	Exam period

## **Tuesday, October 20th Applicator Exam Period**

On Tuesday Oct 20th, from 1:00pm to 5:00pm, you will have the opportunity to take your Commercial Applicator Exams for WDO, WDC, HPC, IHPC, PH, OTPS, OTPC, and AQ. Please note you need to complete an Exam Application and submit it to Ellen Hughes at Alabama Department of Agriculture no later than Wednesday, October 14, 2015. You can email the application to [ellen.hughes@agi.alabama.gov](mailto:ellen.hughes@agi.alabama.gov) or fax it to 334-240-7168, or mail it to the Alabama Department of Agriculture & Industries address below.

Please note that all professional services exams require a qualification statement. The structural categories require a letter on company letterhead from the certified operator under whom the applicant trained; OR, if the person has previously been certified as an Alabama structural pesticide applicator or is currently certified as an Alabama structural pesticide applicator and is testing in order to add a category, he/she may submit a copy of his previous/current permit.

If you require study materials, please refer to <http://www.aces.edu/anr/pesticidemgt/CommercialApplicatorInfo.php> to determine what your category requires. For exam related question, contact Ellen Hughes at the Department of Agriculture & Industries with any questions.
