

# Holland Creek Clean Up!

**Saturday, March 2**  
**8:30 - 11 am Eastern**

Did you know that Auburn University has applied for and received grant funding to pay for on-the-ground best management practices to improve the health of the watershed?

Come join us to clean up an illegal dump site next to Holland Creek in Phenix City! This clean up will help us get ready for a stream restoration project in downtown Phenix City at the Broad Street Bridge.

For more information about Mill and Holland Creeks, check out our webpage at [www.aces.edu/millcreek](http://www.aces.edu/millcreek).

We'll meet at the Phenix City Amphitheatre 8:30 am Eastern located at 508 Dillingham St., Phenix City.

For more information about this clean up, please contact Katie Dylewski at [wernekl@auburn.edu](mailto:wernekl@auburn.edu).

Please fax the registration form to Stacy

This project is funded in part by a Section 319 grant from the Alabama Department of Environmental Management and the U.S. Environmental Protection Agency Region IV.

**The Mill Creek Project is a partnership effort supported by:** the Alabama Cooperative Extension System, Alabama Department of Environmental Management, Alabama Clean Water Partnership, Alabama Water Watch, Auburn University, Chattahoochee River Warden, City of Phenix City, City of Smiths Station, Columbus Water Works, Consolidated Resources, Goodwyn Mills and Cawood, Help the Hooch, Keep Phenix City Beautiful, Lee County Commission, Lee County Schools, Phenix City Public Schools, Russell County Commission, Smiths Water and Sewer Authority, Tri Rivers, and U.S. Environmental Protection Agency.
