

Got Rain?

Attend our rain barrel workshop to learn more about water conservation, protecting our Alabama Rivers and the construction of a rain barrel for home use. You'll go home with a greater appreciation of Alabama's natural resources!

The workshop is free, but you can purchase a 55-gallon rain barrel for \$30.

You can pay on the day of the workshop in cash or check made to : Alabama Clean Water Partnership.

To reserve a spot go to www.AlabamaRainBarrelProject.com
